*The End Term Examinations of courses like Dissertation & Projects will be scheduled as per the Guidelines released for Capstone, Dissertation and similar courses issued from time to time by the University.

Some important points:

1. The dates mentioned in the calendar, especially with regard to end of Mid Term and End Term Examinations, are tentative and a variation may occur. Students are advised to plan for travel after looking at their respective date sheet for all components of Regular End Term Examinations i.e. Theory (ETE) / Lab or Practical (ETP) / Viva for Projects/ Dissertations etc. As per University policy the student will be required to vacate the residential room/ apartment within 2 days after the end of all components of Regular End Term Examinations.

For example:

The last date for conducting End Term Examination (ETE) including Theory and Capstone Evaluation (wherever applicable) for all programmes by the University is upto **Monday, July 13, 2020**. If a student's all components of Regular End Term Examination end on **Friday, July 10, 2020**, then as per University Policy, the student will have to vacate the hostel by **Sunday, July 12, 2020** and not **Monday, July 13, 2020**.

2. Any examination may be held on any working day (i.e. other than Sunday).
3. If a student is not present on the date of scrutiny he/she will lose the opportunity to look at his/her answer books, however such students can apply for re-evaluation.
4. Part time students may be required to visit the University other than Sundays in order to apply for re-evaluation, re-appear exam, backlog registration, dissertation guidance etc. Whenever required, classes may be scheduled on days other than Sundays.
5. The schedule of Sports / co-curricular / cultural events will be notified separately by the concerned Division/ School.
